

**STATEMENT ABOUT IRRADIATION FOR THE FOLLOWING PRODUCTS**

PRODUCT	ARTICLE NO.
Herbal Tea FC flav. Orange / Honey	121431-40
Fruit Tea FC flav. Goji	143600-40

We hereby confirm that the above mentioned products are not irradiated within the scope of influence of the Martin Bauer Group. Raw materials outside of this influence are tested on a random basis for irradiation.

Furthermore, the following agreement is fixed with our raw material suppliers:

**Irradiation:** Using radiation as a sterilising treatment is prohibited. The product must not contain levels of irradiation that exceed the maximum level mentioned in the EC regulation 733/2008 for infant food products (maximum level = 370 Bq/kg 134/137 Cs).
